- Insider tips and recommended itineraries

Featured Parks

Yosemite National Park

Yosemite Valley, the heart of Yosemite National Park, is a legendary natural wonder, featuring granite cliffs, cascading waterfalls, and giant sequoia trees. This section covers the iconic Half Dome hike, the Mist Trail to Vernal and Nevada Falls, and the scenic Tioga Road.

Sequoia and Kings Canyon National Parks

These two adjacent parks are renowned for their towering sequoia trees, some of the largest living things on Earth. This section explores the Giant Forest, where you can hike among these ancient giants, as well as the scenic Kings Canyon Scenic Byway.

Marvel at the massive trunks of giant sequoia trees, reaching heights of over 300 feet.

Redwood National and State Parks

This string of parks along the Northern California coast protects some of the last remaining ancient redwood forests in the world. This section covers the Lady Bird Johnson Grove, where you can hike beneath towering redwoods, as well as the coastal trails along the Smith River.

Practical Information

In addition to detailed park descriptions, this guidebook also includes practical information for planning your trip, including:

- Park entrance fees and operating hours
- Backcountry camping permits and regulations
- Wildlife safety tips and bear canisters

- Nearby towns and services
- Recommended maps and guidebooks

With its comprehensive coverage, detailed maps, and expert insights, "California Guide to the State National Parks" is your indispensable guide to experiencing the natural wonders of California.
