Meritorium Meritropolis is a groundbreaking new book that explores the future of cities. Ohman argues that we need to rethink the way we design and build our cities if we want to create more sustainable, equitable, and livable communities.

Ohman's book is full of fascinating insights and provocative ideas. He challenges many of the conventional wisdom about城市规划和建筑. For example, he argues that we need to move away from a focus on car-centric development and instead prioritize步行者,骑自行车的人,和公共交通. He also argues that we need to build more affordable housing and create more green space in our cities.

Meritorium Meritropolis is a must-read for anyone who is interested in the future of cities. Ohman's book is full of valuable insights and practical advice that can help us create more sustainable, equitable, and livable communities.
