## Cornering with Precision and Confidence

Cornering is a fundamental skill for motorcyclists, and the Motojitsu Master Riding Program breaks down the complexities of this technique into manageable steps. Widmar introduces the concept of "cornering under compression," a revolutionary approach that allows riders to maintain stability, control, and speed while navigating corners with precision. Through detailed explanations and exercises, the program guides you in optimizing your body position, braking techniques, and throttle control for flawless cornering.

### **Braking Techniques for Maximum Safety**

Effective braking is crucial for every motorcyclist, and the Motojitsu Master Riding Program provides a thorough understanding of braking techniques. Widmar emphasizes the importance of progressive braking, teaching you how to modulate pressure on the front and rear brakes for optimal stopping power. You'll also learn advanced braking techniques, such as threshold

braking, to maximize control and minimize skidding in emergency situations.

Enhance your safety on the road with the Motojitsu Master Riding Program's comprehensive braking techniques.

**Advanced Riding Skills for Unparalleled Control**

For experienced riders seeking to push their limits, the Motojitsu Master Riding Program delves into advanced riding skills that will elevate your riding experience to new heights. Widmar covers techniques such as counter-steering, wheelies, and stoppies, providing detailed instructions and drills to help you master these advanced maneuvers with precision and control. By expanding your skillset, you'll gain unprecedented confidence and control on the bike.

### **Personalized Training Plan for Your Unique Needs**

The Motojitsu Master Riding Program recognizes that every rider is different, with unique strengths and areas for improvement. That's why the program includes a personalized training plan that allows you to tailor your training to your specific needs and goals. By following the structured

progression of drills and exercises, you'll experience gradual and measurable improvement in your riding skills.

Achieve your riding goals with the Motojitsu Master Riding Program's customized training plans.

### **Transform Your Riding Experience Today**

The Motojitsu Master Riding Program is an investment in your riding future. By embracing the innovative techniques and insights shared by Greg Widmar, you'll unlock your full potential as a motorcyclist. Experience the freedom and exhilaration of riding with confidence, control, and precision. Free Download your copy of the Motojitsu Master Riding Program today and embark on a journey of riding mastery.
