Sam and Ben are two ordinary boys who live in a small town. They are best friends and love to spend time together, exploring the woods near their homes. One day, they are playing in the attic of their grandparents' house when they come across a mysterious old tandem bicycle. The bike is covered in dust and cobwebs, and it looks like it hasn't been used in years. Sam and Ben are curious about the bike, and they decide to take it for a ride.

As soon as they start pedaling, the bike begins to glow and hum. Sam and Ben are suddenly transported to a magical world called Tandem. Tandem is a beautiful world, full of lush forests, sparkling rivers, and towering mountains. However, Tandem is also home to many dangers, including fierce creatures and evil sorcerers.

Sam and Ben quickly learn that they must work together to survive in Tandem. They must also learn to trust each other and to rely on each other's strengths. As they travel through Tandem, they meet new friends and face many challenges. They also learn about the true nature of the Tandem bike and the power it possesses.

The Tandem is a thrilling and exciting adventure story that will appeal to young readers of all ages. The book is full of action, adventure, and friendship. It is also a story about the power of believing in yourself and the importance of trusting your friends.

### **About the Author**

Justin Richards is a prolific and award-winning author of over 100 books for children and young adults. He has written many popular series, including the Dr. Who spin-off novels and the Power of the Doctor series.
