Watery Ways: The Living Aboard is a comprehensive guide to living the dream of living aboard a boat. From choosing the right boat to finding a marina, this book has everything you need to know to make your dream a reality.

Choosing the Right Boat

The first step to living aboard is choosing the right boat. There are many different types of boats available, so it is important to do your research and find one that meets your needs and budget.

Some of the things you should consider when choosing a boat include:

- The size of the boat
- The type of boat
- The age of the boat
- The condition of the boat
- The cost of the boat

Once you have chosen a boat, you will need to find a place to live. There are many different marinas available, so it is important to find one that meets your needs and budget.

Some of the things you should consider when choosing a marina include:

- The location of the marina
- The size of the marina
- The amenities offered by the marina
- The cost of the marina

Once you have found a boat and a marina, you will be ready to start living the dream of living aboard.

The Benefits of Living Aboard

There are many benefits to living aboard a boat. Some of the benefits include:

- **The freedom to travel:** When you live aboard a boat, you have the freedom to travel wherever you want, whenever you want.
- **The opportunity to experience nature:** When you live aboard a boat, you are surrounded by nature. You can wake up to the sound of waves crashing against the shore or go to sleep to the sound of crickets chirping.
- **The chance to meet new people:** When you live aboard a boat, you will have the opportunity to meet new people from all walks of life.
- **The opportunity to learn new skills:** When you live aboard a boat, you will have the opportunity to learn new skills, such as how to repair a boat or how to navigate.

If you are looking for a simple life, surrounded by nature and free from the hustle and bustle of everyday life, then living aboard a boat may be the perfect lifestyle for you.
